Final Note by the Second Member of Council.

Subject:—

Grant of travelling allowances to the members of the Imperial Service Troops for bringing back their families from their native places on their return from the Field.

The Chief Commandant, Mysore State Troops, solicits sanction to the payment to Jemadar Mahomed Hassan Khan of the Imperial Service Lancers of the travelling expenses amounting to Rs.62/- incurred by him in bringing back his wife and two children from his native place i.e., Chalisgoan to Bangalore after his return from the Field and it is pointed out by him that a similar concession is allowed in British India.

In my opinion the recommendation of the Chief Commandant may be accepted and the concession extended to all similar cases that may arise in future also since our troops should be allowed to enjoy concessions similar to those granted to troops in British India.

This view has been agreed to by the Council and the Financial Department and may be graciously approved.

Sir,

In reply to your letter No.C.B.C.Ry.9001, dated the 1st April 1916, I am directed to explain that the intention of the orders conveyed in Army Department letter No.H.916, dated the 17th September 1914, was that free passage to their homes should be given to the families of Indian Soldiers, Sub-Assistant Surgeons and public followers ordered on active service overseas although --- accommodation might be available for such families at the Depots of the units concerned. The letter was not intended to modify in any way the provisions of the concluding sentence of paragraph 80, Army Regulations, India, Volume X by which families are entitled to free passage by rail, river, canal and sea from their homes to the station to which the head of the family may be posted on return from Field service outside Indian limits.

D.O. No. 244

27th September 1916.

Dear Mr. Puttannah,

In your letter No.779 dated 26th July 1916 to the Secretary to the Government of Mysore, it is stated that when Jemadar Mahomed Hussain Khan of the Imperial Service Lancers proceeded on active service, in October 1914, a railway warrant was issued providing for two second-class tickets, for the passage of his wife and 2 children, from Bangalore to Chalisgaon. I shall be obliged if you will kindly let me know early for the information of the Extraordinary Member (1) whether such concessions were extended to the families of all officers and men who proceeded on active service, wishing to go to their native places, and (2) what concessions in the way of mileage or cart hire were given in the case of families who had to make their journey by road to their native places, owing to want of railway communication.

Yours sincerely,

Mad

Dear Mr.Singrachar,

Your D.O.letter No 244 dated 27-9-1916.

The family of Jemadar Mahomed Hassan Khan is the only one that applied for and was given the railway warrant to their home. No other families applied for the con--cession and none was granted.

In the case of the men of the Local Service regiment who are transferred to the re-inforcements of the I.S Lancers Depot, double third class railway fare from Bangalore to Mysore is given whenever such men are sent to the Field with drafts. No other concessions were shown even in these cases by way of mileage or cart hire.

Yours sincerely,

D.O. No. 308

28th October 1916.

My dear sir,

With reference to the correspondence ending with your D.O. letter No. C.122 dated 31st October 1916 to Mr. Singrachar regarding passage money to the families of Imperial Service Lancers on field service, I write to invite your kind attention to letter No. H.3719 dated 10th May 1916 from Maj. Gen. Halloway (copy of which has been enclosed with your office letter No.859 dated 28th July 1916) which explains that "the letter was not intended to modify in any way the provisions of the concluding sentence of paragraph 80 A.R.I., Vol.X by which families are entitled to free passage by rail, river, canal and sea from their homes to the station to which the head of the family may be posted on return from field service outside Indian limits", while the concluding sentence of Art. 80 of A.R.I. Vol. X (1913 runs as follows: "Free passage is restricted to conveyance by sea, river, canal and rail, and return passage from their homes is <u>inadmissible</u> except in the case of those whose husbands proceed to colonial stations (including North China)".

It is quite apparent that the two sentences quoted above are ~~quite~~ inconsistent with each other in as much as Maj. Halloway's letter says that under the last sentence of Art. 80, A.R.I. X the families are entitled to free passage from their homes while a reference to the article itself makes it clear that such passage money for the return journey from their homes is inadmissible. I shall be obliged if you will kindly explain the discrepancy.

No. 4109

Office of the Chief Commandant

Mysore State Troops.

Bangalore dated 13th November 1916.

Dear sir,

Please refer to your D.O. Letter No.308 dated 28-10-1916.

The discrepancy referred to by you is only apparent. A careful perusal of the amendment passed in I.A.C 356 will reveal that the cases of the families of persons now on Active Service, Overseas, will be treated in the same manner as those coming under the exception mentioned in para 80 of A.R.I. Vol. X. In other words the I.A.C. under reference increases the scope of the exception to Para 80, which at present refers only to Service in Colonial Stations. The present I.A.C. makes the exception applicable to all persons who have proceeded on Active Service Overseas.

Yours sincerely

K. Myalar Rao Esq. B.A.B.L.,
Private Secretary to H.H.
